National Rural Health Certified Medical Coding Boot Camp

Don't miss your chance to attend the National Rural Health Certified Medical Coding Boot Camp to obtain up-to-date information on medical coding rules, regulations, compliance, and reimbursement. This is your opportunity to have a trained medical coding professional in your health care facility or clinic to best handle issues such as medical necessity, claims, denials, bundling issues, and charge capture. All attendees will prepare for the Professional Coder Exam via a web based practice exam prior to taking the certification. **Mandatory Supplies:** 2010 ICD 9 - CM Volume I & II, 2010 HCPCS, 2010 CPT Professional Edition, and 2 Highlighters.
